Registration No. 61633

SECTION A: Purpose

This is a Consent Order issued under the authority of Va. Code §§ 10.1-1309 and -1316, between the State Air Pollution Control Board and E.V. Williams Inc. for the purpose of resolving certain violations of the Virginia Air Pollution Control Law and regulations.

7. "PCE" means a partial compliance evaluation by DEQ staff.
8. "Permit" means the State Operating Permit to operate a portable crushing plant, which was issued under the Virginia Air Pollution Control Law and the Regulations to E.V. Williams Inc. September 26, 2011.

SECTION C: Findings of Fact and Conclusions of Law

1. EVW owns and operates a portable crushing plant home based at 925 South Military Highway in Virginia Beach, Virginia.
2. On August 16, 2011, Department staff conducted a PCE of the portable crushing plant for compliance with the requirements of the Virginia Air Pollution Control Law and the Regulations. Based on the evaluation and follow-up information, Department staff made the following observations:

A portable Extec C-12 crusher and conveyers had been installed and operated without a permit.
3. 9 VAC 5-80-1120(A) states that, "No owner or other person shall begin actual construction, reconstruction or modification of any stationary source without first obtaining from the board a permit to construct and operate or to modify and operate the source."
4. 9 VAC 5-80-1210 (D) states that, "Any owner who constructs or operates a new or modified source not in accordance with the terms and conditions of any permit to construct or operate, or any owner of a new or modified source subject to this

article who commences construction or operation without receiving a permit hereunder, shall be subject to appropriate enforcement action including, but not limited to, any specified in this section.”

5. On October 11, 2011, based on the evaluation and follow-up information, the DEQ issued a NOV to EVW for the violations described in paragraphs C(2) through C(4), above.
6. On November 14, 2011, Department staff met with representatives of EVW to discuss the violations including the observations and legal requirements listed in the NOV.
7. Based on the results of the August 16, 2011 evaluation and the November 14, 2011 discussion with EVW, the Board concludes that EVW has violated 9 VAC 5-80-1120(A) of the Regulations as described in paragraph C(3), above.
8. DEQ issued EVW the Permit and therefore the violations described in paragraphs C(2) through C (4), above, have been corrected.

SECTION D: Agreement and Order

Accordingly, by virtue of the authority granted it pursuant to Va. Code §§ 10.1-1309 and 1316, the Board orders EVW and EVW agrees to pay a civil charge of \$4,113.00 within 30 days of the effective date of the Order in settlement of the violations cited in this Order.

Payment shall be made by check, certified check, money order or cashier's check payable to the "Treasurer of Virginia," and delivered to:

Receipts Control
Department of Environmental Quality
Post Office Box 1104
Richmond, Virginia 23218

EVW shall include its Federal Employer Identification Number (FEIN) with the civil charge payment and shall indicate that the payment is being made in accordance with the requirements of this Order for deposit into the Virginia Environmental Emergency Response Fund (VEERF).

SECTION E: Administrative Provisions

1. The Board may modify, rewrite, or amend the Order with the consent of EVW, good cause shown by EVW, or on its own motion pursuant to the Administrative Process Act, Va. Code § 2.2-4000 *et seq.*, after notice and opportunity to be heard.
2. This Order addresses and resolves only those violations specifically identified in Section C of this Order. This Order shall not preclude the Board or the Director from taking any action authorized by law, including but not limited to: (1) taking

any action authorized by law regarding any additional, subsequent, or subsequently discovered violations; (2) seeking subsequent remediation of the facility; or (3) taking subsequent action to enforce the Order.

3. For the purposes of this Order and subsequent actions with respect to this Order, EVW admits the jurisdictional allegations, findings of fact, and conclusions of law contained herein.
4. EVW consents to venue in the Circuit Court of the City of Richmond for any civil action taken to enforce the terms of this Order.
5. EVW declares it has received fair and due process under the Administrative Process Act, Va. Code and the Virginia Air Pollution Control Law and it waives the right to any hearing or other administrative proceeding authorized or required by law or regulation, and to any judicial review of any issue of fact or law contained herein. Nothing herein shall be construed as a waiver of the right to any administrative proceeding for, or to judicial review of, any action taken by the Board to modify, rewrite, amend, or enforce this Order.
6. Failure by EVW to comply with any of the terms of this Order shall constitute a violation of an order of the Board. Nothing herein shall waive the initiation of appropriate enforcement actions or the issuance of additional orders as appropriate by the Board or the Director as a result of such violations. Nothing herein shall affect appropriate enforcement actions by any other federal, state, or local regulatory authority. EVW does not waive any rights or objections it may have in any enforcement action by other federal, state, or local authorities arising out of the same or similar facts to those recited in this Order.
7. If any provision of this Order is found to be unenforceable for any reason, the remainder of the Order shall remain in full force and effect.
8. EVW shall be responsible for failure to comply with any of the terms and conditions of this Order unless compliance is made impossible by earthquake, flood, other acts of God, war, strike, or such other occurrence. EVW shall show that such circumstances were beyond its control and not due to a lack of good faith or diligence on its part. EVW shall notify the DEQ Regional Director verbally within 24 hours and in writing within three business days when circumstances are anticipated to occur, are occurring, or have occurred that may delay compliance or cause noncompliance with any requirement of the Order. Such notice shall set forth:
 - a. the reasons for the delay or noncompliance;
 - b. the projected duration of any such delay or noncompliance;

- c. the measures taken and to be taken to prevent or minimize such delay or noncompliance; and
- d. the timetable by which such measures will be implemented and the date full compliance will be achieved.

Failure to so notify the Regional Director within 24 hours and in writing within three business days, of learning of any condition above, which EVW intends to assert will result in the impossibility of compliance, shall constitute a waiver of any claim of inability to comply with a requirement of this Order.

- 9. This Order is binding on the parties hereto, their successors in interest, designees and assigns, jointly and severally.
- 10. This Order shall become effective upon execution by both the Director or his designee and EVW. Nevertheless, EVW agrees to be bound by any compliance date which precedes the effective date of this Order.
- 11. This Order shall continue in effect until:
 - (a) The Director or his designee terminates the Order after EVW has completed all of the requirements of the Order;
 - (b) EVW petitions the Director or his designee to terminate the Order after it has completed all of the requirements of the Order and the Director or his designee approves the termination of the Order; or
 - (c) the Director or Board terminates the Order in his or its sole discretion upon 30 days' written notice to EVW.

Termination of this Order, or any obligation imposed in this Order, shall not operate to relieve EVW from its obligation to comply with any statute, regulation, permit condition, other order, certificate, certification, standard, or requirement otherwise applicable.

- 12. Any plans, reports, schedules or specifications attached hereto or submitted by EVW and approved by the Department pursuant to this Order are incorporated into this Order. Any non-compliance with such approved documents shall be considered a violation of this Order.
- 13. The undersigned representative of EVW certifies that he or she is a responsible official authorized to enter into the terms and conditions of this Order and to execute and legally bind EVW to this document. Any documents to be submitted pursuant to this Order shall also be submitted by a responsible official of EVW.

14. This Order constitutes the entire agreement and understanding of the parties concerning settlement of the violations identified in Section C of this Order, and there are no representations, warranties, covenants, terms or conditions agreed upon between the parties other than those expressed in this Order.
15. By its signature below, EVW voluntarily agrees to the issuance of this Order.
